

Press Room Analytics Report

August 01, 2026 - August 31, 2026

Executive Summary

The HHS.gov Press Room attracted **188,170** active users in August 2026, down slightly from the previous month (-4%). The two highest-viewed releases benefited from different distribution channels, with social contributing strongly to Kentucky Organ Decertification traffic and email driving substantial traffic to the Food Policy Reforms release. The press room landing page only accounted for **8.7%** of total traffic, a notable shift from its usual primary entry point for discovery (YTD average is 46%). The top 10 press releases (**83,980**) accounted for **49.7%** of total press room views, the largest share year-to-date.
